

Lewis Watch Co Price List - October 2026 (AUD - Australian Dollar)

SERVICING

Common models and examples given. Please ask for a quote if you are unsure which model you have or your model or brand is not shown.

ALL Servicing performed in accordance with manufacturer procedures and technical documents. Only synthetic lubrication used. Full surface treatment with Epilame*** is used to prolong service intervals. Hands with tritium or radium luminous paint (for vintage watches) will be stabilised with clear lacquer from the reverse side.
